

Instructions on How to Scan Old Photos

This photo was scanned at 1200dpi.
File size is 41 megabytes.
Notice the scan includes the entire photo -
even the edges of the photo.
This high-res scan is perfect for large scale
printing up to A1 or 20x30inches.
Preferred file format is TIFF if possible.

Mousere, Cyprus. c.1948

Kostandinos Konnaris (far left) outside
his house with his wife Eleni and
family. Eldest daughter Despina is
holding little Nitsa. The two women
wearing the same dress are her
sisters Panayiota and Augusta.

Mousere, Cyprus.
